DTC4000

FARGO®

Fargo's name is synonymous with quality, reliability and performance - even more so now that Fargo has become an HID Global company. Fargo card printers offer a powerful combination of innovation, user friendliness and high security features.

Enduro

TRUSTED IDENTITY FOR A SAFER WORLD

Only Magicard printers offer unique HoloKote card security features - a transparent watermark that is added during the regular printing process without any extra cost per print. Magicard single-sided & dual-sided printers offer a choice of: direct-to-card printing or retransfer printing.

ZXP8

PREMIER CARD PARTNER

Zebra card printer solutions provide businesses enhanced security, improved quality, lower costs and better customer service. Choose from a broad range of full color or monochrome card printers. Options range from Ethernet connectivity, smart card and magnetic stripe encoding, to lamination for higher security and card durability. There is a Zebra card printer to meet all your business needs; from payment cards to driver's licenses, membership cards to employee identification badges, gift cards to ski pass IDs, and much more.
