

# ID Card Printing Made Easy

Get everything you need to start printing IDs in one box!

## Magicard Enduro 3e ID Card Printer

The Magicard Enduro 3e is an innovative ID card printer with extremely fast print times and enhanced security features. The large LED interface makes the Enduro+ easy to use, and the 100-card feeder makes batch printing simple.

### PRINTER HIGHLIGHTS:

- Fast dye sublimation printing—produces full color cards in 35 seconds
- HoloKote watermark system adds an extra layer of security at no added cost
- Flexible design allows you to drop-in upgrade kits at a later time
- 3 year manufacturer warranty covering parts & labor

### OPTIONAL UPGRADES:

Dual-sided Printing

Mag. Encoding

Optional warranty upgrades are available to extend coverage up to 5 years. Significant discounts are available within 60 days after your printer ships – ask for more details!

## ID Card Software

With AlphaCard ID Suite software you can design, print, and manage ID cards and badges for any professional application. Whether you're implementing a basic photo ID program or issuing multifunctional ID badges, AlphaCard ID Suite provides you with the necessary tools to achieve your goals.

### SOFTWARE FEATURES:

- Available in five different editions
- Customizable record layouts
