

ID Card Printing Made Easy

Get everything you need to start printing IDs in one box!

Zebra ZXP Series 3 ID Card Printer

The Zebra ZXP Series 3 printer is a compact but powerful ID card printer featuring optional magnetic stripe encoding and Ethernet. The 100 card input hopper and 45 card output hopper are designed for small batch printing.

PRINTER HIGHLIGHTS:

- Fast dye sublimation printing—produces 180 full color cards per hour
- Edge-to-edge printing on standard CR80 cards
- Compact design easily fits into any office environment
- 2 year manufacturer warranty covering parts & labor

OPTIONAL UPGRADES:

Mag. Encoding

Smart Card Encoding

Ethernet

Kensington Lock

Optional warranty upgrades are available to extend coverage up to 5 years. Significant discounts are available within 60 days after your printer ships – ask for more details!
